UNLEASH YOUR CURIOSITY

EXPLORE YOUR INTERESTS

Discovering your passions can lead to **incredible opportunities** and personal growth. Whether you enjoy painting, hiking, or coding, exploring your interests opens up a world of creativity and fulfillment. Don't hesitate to try new things, connect with like-minded individuals, and **embrace the journey** of self-discovery. Your passions can shape your life in meaningful ways.

🎯 Perfect for:
Students | Hobbyists | Parents looking for classes | Beginners ready to learn something new

🖥️ Explore your interests and find nearby institutes in minutes!

1

🚀 What is it?

A user-friendly interactive web application that helps individuals discover and connect with their interests in Music, Dance, Drawing, and Sports. Whether you want to play the guitar, learn ballet, or explore sketching – we've got you covered!

Key Features:

✅ Clean and engaging login interface

✅ Multiple interest categories with subdomains

✅ Personalized recommendations based on your location

✅ Showcases top-rated institutes with reviews, ratings, and contact info

✅ Smooth transitions and mobile-responsive design

Introducing Our Web Application

url:::///C:/Users/HP/Desktop/Demo/Explore%20You
r%20Interests.html

🟢 Step 1: Login

User enters their Name, Phone Number, and Email
Address.

Clicks the "Login" button.

Validation ensures all fields are filled.

On success, user data is saved and navigates to the
next step.

Login to Explore Your Interests

Enter Your Name

Enter Your Phone Number

Enter Your Email

Login

🎯 Step 2: Select a Category

The user is shown 4 main interest categories:

🎵 Music

🎨 Drawing

💃 Dance

🏀 Sports

Upon clicking a category, the app moves to the subdomain selection screen.

Select a Category

🎵 Music

🎨 Drawing

💃 Dance

🏀 Sports

🧩 Step 3: Choose a Subdomain

Based on the selected category, related subdomains are displayed.

Example: For "Music" → Guitar, Piano, Violin, etc

User selects one subdomain.

Proceeds to location input.

Music Subdomains

Guitar

Drums

Piano

Violin

Ukulele

📍 Step 4: Enter Your Location

User is asked to input their city or area.

This helps in suggesting nearby institutes for the selected interest.

Enter Your Location

City or Area

Show Nearby Options

🏫 Step 5: View Nearby Institutes

The app displays a list of sample institutions offering the selected interest.

Each card shows:

🏫 Name of institute

⭐ Rating

💸 Fee

💬 Review

📞 Coordinator contact
